

Paragraph Writing Basics

Topic Sentence

<p>Setting</p>	<p>Subject</p>	 <p>Big Idea</p>
-----------------------	-----------------------	-----------------------------------------------------------------------------------------------------

Great	Needs Work	Missing	Paragraph Checklist
			Paragraph begins with a general topic sentence that contains SS Light bulb (Setting, Subject, Big Idea)
			Every sentences helps you answer the question and provides details and facts (evidence) from your source to support your answer
			Transition words provide a natural flow from one idea to the next
			Written in formal language with high-level vocabulary in your own words
			Concluding sentence restates the Big Idea (using different words) and ends it with a snap! (Convince your reader of the topic's importance!)
